	High-precision direct injection	•	•	٠	•	-	-	£
248	Steering wheel heating	0	0	0	0	0	0	£195
	Heating element in the steering wheel rim, with activation via switch on steering column.							
255	Sport leather steering wheel	•	-	•	-	•	-	
	Three-spoke leather steering wheel for a sportier grip; with a thicker sculpted rim.							
2TB	Sport automatic transmission	•	•	•	•	•	•	
	Dynamic and sporty gear changes via the steering wheel paddles or selector lever. Sport button activates Sport Mode where gear shifts are almost instantaneous in either up or down shifts. Includes Drive							
	Dynamic Control with three mode settings: Normal, Sport and Sport+.							
2VA	Adaptive Drive	0	0	0	0	0	0	£3,400
	Includes Variable Damper Control (VDC) and Dynamic Drive to maximise stability and comfort through reduced body roll in all conditions using active hydraulic anti-roll bars. Includes Drive Dynamic Control							
	with four mode settings: Comfort, Normal, Sport and Sport +. Enables adjustment of steering feel,							
	throttle response, engine response and suspension settings.							
2VB	Tyre pressure monitoring	0	0	0	0	0	0	£255
	Electronic monitoring device for air pressure in each tyre. Automatic warning of pressure loss of greater							
	than 25% of original pressure.							
2VH	Integral Active Steering	0	0	0	0	0	0	£1,220
	Variable-ratio four-wheel-steering system that allows for reduced effort and greater manoeuvrability at low and parking speeds, with enhanced stability and passenger comfort at higher speeds.							
	nove and parally species, with enhanced stability and passenger conflict at higher species.							
302	Alarm system	•	•	•	•	•	•	
	Thatcham category 1							
240	Universal remote control		_		-			
319	Universal remote control	0	0	0	0	0	0	£195
	Replaces up to three remote control devices (e.g. garage door openers, electric gate openers). Compatibility of remotes can be checked via www.homelink.com.							
320	Model designation, deletion	-		~	_	~		
520		0	0	0	0	0	0	£
322	Comfort access	0	0	0	0	0	0	000
	Enables opening/locking of vehicle doors and bootlid without the use of the remote key. It is sufficient for							£665
	the remote key to be about the person (e.g. in a pocket or handbag).							
323	Soft-close doors	0	0	0	0	0	0	£290
	Motorised soft-close for doors.							£290
356	Climate comfort laminated glass	0	0	0	0	0	0	£350
	Infrared reflective laminate for the front and rear windscreen, keeping cabin cooler in direct sunlight and							2330
	providing enhanced sound insulation. Includes Grey shade band at the top of the windscreen, which is							
	removed in combination with 610 Head-up Display.							
	Only with 358

524	Adaptive Headlights Offers improved visibility by following steering angle of the front wheels, giving better illumination of the road ahead through corners. Not active when reversing, or in situations which would dazzle oncoming traffic. Cornering light effective at suitable steering angles at speeds of up to 45 mph (65 km/h). The cornering light is activated at speeds below 22mph (35 km/h) when direction indicators are in use.	0	0	0	0	0	0	£470.0
552	Adaptive LED Headlights Full White' LED headlights lights for both low and high beam offering a greater resemblance to daylight. Includes automatic height adjustment, illuminated headlight "eyebrow" and four 'white' LED corona rings that can be used for Daytime Driving Lights. Includes LED front indicators and Adaptive Headlights which improves visibility by following steering angle of the front wheels, giving better illumination of the road ahead through corners. Not active when reversing, or in situations which would dazzle oncoming traffic. Cornering light effective at suitable steering angles at speeds of up to 45 mph (65 km/h). The cornering light is activated at speeds below 22mph (35 km/h) when direction indicators are in use. Includes headlight wash.	0	0	0	0	0	0	£1,665.00
5A1	Not with 524 Only with 5AC LED fog lights	•	•	•	•	•	•	sto
	3 LEDs aligned horizontally.							
5AC	High-beam Assistant Automatically switches between low and high beam when there is oncoming traffic/changing light conditions.	0	0	0	0	0	0	£110.0
	In combination with 552 Adaptive LED Headlights	0	0	0	0	0	0	£0.0
5AD	Lane departure warning system Activated via a button to the right of the steering wheel. Once travelling at speeds in excess of 40 mph (70 km/h) a camera mounted beneath the rear-view mirror detects lane markings. If the car deviates from the lane of travel without the use of indicators, the steering wheel vibrates as an alert. If the indicators are used to signal, the system recognises this as an intentional lane change and the steering wheel will not vibrate.	0	0	0	0	0	0	£390.0
ōAG	Lane change warning system Activated via a button to the right of the steering wheel. Once travelling at speeds in excess of 30 mph (50 km/lh), a radar-based system monitors blind spots to the rear and side of the vehicle. Warnings are displayed on the side view mirrors to alert the driver of a potential hazard. Mild vibration to steering wheel if vehicle is departing a marked lane into a potential hazard.	0	0	0	0	0	0	£500.0
5DF	Active Cruise Control (ACC) with 'Stop and Go' function Automatic adjustment of the distance between the car and the vehicle ahead. In stop/start motorway traffic, the system will maintain the distance to the car ahead even if it comes to a complete stop. Once the traffic ahead clears, the car will return to the pre-set speed, providing that the period the vehicle was stationary was not longer than 3 seconds.	0	0	0	0	0	0	£1,675.0
5DL	Surround-view Includes Top-view and Side-view cameras. Top-view consists of two video cameras, one located in each exterior mirror casing and provides "bird's-eye view" images of the area to the side of the car. Side-view consists of two side-viewing video cameras, one at each side of the front bumper and permits an early view of approaching traffic for pulling away from exits or crossing intersections with poor visibility to one or both sides. The images are shown in the Control Display. Activated when the gear lever is moved to the "R" position (Top-view) and manually by pushbutton.	0	0	0	0	0	0	£530.0
5DP	Only with 3AG Park Assist	0	0	0	0	0	0	£570.0
	Activated via an icon in the iDrive system after either the PDC button has been pressed or Reverse gear has been selected. In operation at speeds below 20mph, the system utilises two sensors located on the side repeaters (4.5metres range) to identify if a parking space is suitable in size (minimum length of space is 6.1 metres). Upon identification, the space marker in the Control Display turns blue. Parking space preference may be necessary by the driver by use of the respective direction indicator should spaces on either side be available. Steering operation is controlled completely by the vehicle, only driver operation of the brake, accelerator and gear selection are required.
